Pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a member services representative at **1-833-859-6031 (TTY: 711)**. From October 1 to March 31, you can call us 7 days a week from 8 a.m. - 8 p.m. local time. From April 1 to September 30, we're here Monday through Friday from 8 a.m. - 8 p.m. local time.

Understanding the benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially those services for which you routinely see a doctor. Visit AetnaMedicare.com or call 1-833-859-6031 (TTY: 711) to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding important rules

- □ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2023.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situations, noncontracted providers may deny care. In addition, you may pay a higher co-pay for services received by non-contracted providers.
